* *Note.*—It must be observed that this Return, in so far as it refers to "Residents," includes only the number of Justices *usually resident* in each County, City, or Borough; but the great majority of the Justices outside this category are connected with the locality, and generally have a residence in it which they occupy from time to time, although not as their usual residence. There are also a large number of persons who hold the Commission of the Peace for more than one County, but are necessarily enumerated amongst the residents in one of these Counties only.

There are also a large number of persons who hold the Commission of the Peace for more than one county, but are necessarily enumerated amongst the residents in one of these counties only.
